

**Guy's 2<sup>nd</sup> XV vs. Charlton Park 2<sup>nd</sup> XV-Saturday 19<sup>th</sup> October**  
**Lost 15-37**

Readers, I'm going to have to keep this one short, as an acute fulminant case of 'gay-finger' is limiting my typing speed.

We played league leaders Charlton Park and we lost. Max Henderson scored on his return, Matt Morgan went over later on. They, however, scored more tries than us and won. Two early tries and two second half push-overs from their big boys was the only difference between the sides, on a day when Guy's dominated for long periods of the game.

I was interested, however, to read the following advert in the Sunday Papers:
