Score: Guys 41 - 12 Civil Service

Our first win of the season could not have been more impressive with a fluid game in all areas. I have not often been privet to Guys winning line-outs, rucks and mauls with such enormity. Well done to all the forwards as they not only secured good ball but also created many driving attacks and won plenty of possession. To also have Dan winning most of our line-outs was top stuff. Billy and Charlie worked well with the James, Andy and Dan who gave the extra cohesion that we have been lacking.

The backs excelled with the possession especially Ben who scored 3 brilliant tries with running yards in the thousands and was impressive throughout. Hugh was awesome as srum half with Dawson like runs, one solo try and pretty good passing. Ronan made great darts through the opposition midfield and kicked well, but took a battering in the process. Good defense again from Jim and Graham. Nick Gibbons was unfortunate not to last more than five minutes as his highly tuned hamstring decided one run was enough. We were lucky to have Richard who as a replacement and did a stirling job. I scored a corker of a try running 60 yards without the ball and 1 yard with it,in a dive over the line after a crafty kick from hugh.

It was nice to see Big rich supporting and hopefully next time will be a little closer to the action

Next week is Wimbledon away and hopefully more of the same after England beat those damn Aussies. Come on England...
