Guy's vs Guilford SCORE: 0-83

A strange mix of youth and experience characterized the team that lost heavily to Guilford. Before the match, we learnt that Guilford vets were in the Evergreen Cup final and we would be playing their seconds vets! It didn't feel like it - and one suspects this was useful warm up for their final next week. They were a well-organized unit. However, the GKT vets lack any raw hunger to compete let alone win. We missed easy tackles unlike the excellent defensive example of the UH final team the following day). George Sokalides, Al Jones and Clive Hudson made spirited efforts. On a more positive note, we had 18 players for the match on a lovely day at Cobham perfect for rugby.

Lets hope we get more fire in our bellies against Bank of England
