

‘THE MIGHTY THREES DO IT AGAIN!’

**Saturday 12th October 2002: Shepherd Neame Kent League Metropolitan Delta:
Guy’s Hospital III 48 – 12 Natwest II.**

Guy’s threes appeared to still be basking in the glory of their storming victory against Greenwich II the week before when they received the kick off from their next obstacle Nat West II. Within seconds of the kick off the Guy’s forwards had lost the ball and their backline appeared to be still tucked up in their beds when the Nat West outside centre broke through his opposite man and out-gassed Jamie Griffiths at full back to run in an early score. Most teams who run in a score within the first two minutes of a match expect an easy game but for Natwest they just rang the alarm bells that awoke the monstrous beast that was lying dormant hungover from the night before.

The Guy’s reply came more rapidly and ferociously than their opposition had begun. Before Natwest knew it Guy’s III were down the other end of the field. The Natwest defence could not handle the pace of the Guy’s winger (and former captain) Tom Bevir and took him out off the ball in a desperate attempt to maintain their lead, which conceded a penalty try. The Guy’s onslaught then steamrolled as the points piled on leading to another convincing victory. Even Joe Wood whom many had given up on over the last year completed his second consecutive full game even running in a rare try.

Particular mention should also be made of the fresher Brad Tiffin who ran in a try in his debut performance for Guy’s III and a big hand should be offered to Ed Jefferies who scored his first try for the mighty. The closing quarter of the game showed a not unexpected attempt at exhibitionism from the big Welshman Jamie Griffiths throwing in many pointless jinking runs and even a last minute drop goal which really demonstrated the domination of this Guy’s team.

Well done lads keep ‘the mighty threes.....rolling on!’
