

‘A HATRICK FOR THE MIGHTY THREES’

Saturday 19th October 2002: Shepherd Neame Kent League Metropolitan Delta: Guy’s Hospital III 59 – 24 Old Olavians II.

Guy’s hospital III extended their impressive start to the season with their third convincing win in succession. St Olaves School was the venue for this clash of youth Vs experience. Youth overcame and the “Mighty Threes” did it again. The first onto the score sheet was Fresher Tom Kenedy which was soon followed by a brace from the big Welshman Jamie Griffiths who showed some extraordinary running and ridiculous fitness levels that us lardy forwards condemn. This was described from the supporters as ‘a streak of ginger hair weaving its way from well inside Guy’s half, all the way to the line’. Adding this to the seven conversions irritatingly confirmed the not so modest taff’s position as top point scorer this season.

Guy’s travelling supporters were strong in number and voice in anticipation of Jez the ETERNAL FRESHER’s birthday session planned for later that day. It was just a pity that the birthday boy didn’t make it onto the field.

May the winning form continue. Well done lads!
