

## **OCTOBER 2001 - UH Sevens**

The tournament was moved this year from Old Deer Park to Guys home ground HOP. To get rid of any advantage Guys may receive from playing at their home ground, the whole team went out the night before and tried to drink several bars dry. This plan worked a little too well.

Guys entered two teams into a tournament that was well represented by all of the London medical schools. There were two groups with the top two teams going through to the final. Guys 1sts struggled from the start, but managed to win their first three games. However we were eventually knocked out by a good Georges team, but not before several players had projectile vomited their way round HOP. All in all the tournament was a big disappointment, as Guys could easily have done a lot better.

However a lot of praise had to go to Georges who won their first trophy for many a season.

**Team:** Andy Vaughton (c), Ben Thorpe, Chris Jack, Alex Burns, Dave Berry, Tim Price, Mark Carbasse, Jim Martin, Roy Turner, Guy Brenos, Nick Evans
